

ST. EDWARD THE CONFESSOR
CATHOLIC CHURCH AND SAN FELIPE DE JESUS CHAPEL

Wedding Floral Guidelines

St. Edward the Confessor Catholic Church and San Felipe de Jesús Chapel

Only two floral arrangements are allowed in the church and chapel. Both must be placed on pedestals or stands in the sanctuary behind the altar. In the chapel, your florist must provide their own pedestals. The pedestals in the Church may be used but must not be moved, as they can easily be damaged.

No flowers or arrangements are allowed in the center aisle, the vestibule, or the pews.

No candles may be used in the floral arrangements.

Bows, ribbons, garland and flowers are not allowed on the pews.

We do not allow anything on top, in front, or to the side of the altar.

Flowers should not be delivered more than one hour prior to the wedding to avoid disrupting any earlier events in the church.

Please arrange to have your flowers removed immediately following your wedding.

Due to the safety hazard they create, we prohibit aisle runners, rice, flower petals, birdseed, confetti, and bubbles inside and outside our church and chapel.

On your wedding day there may be decorations in the church tied to the liturgical season, such as lilies at Easter or a nativity scene at Christmas. Please do not move, remove, cover or tamper with these decorations. Your wedding coordinator can advise you, in advance, on what decorations may be in the church at the time of your wedding.
